## *Home Care Services*

Provide seniors and their families with a customized home care program and support services that meet their needs. Each client receives personal care by screened, bonded, trained and insured staff. Respite and palliative care available. Senior Watch\* services are managed through a strong professional base of gerontology, social work and community nursing. This service links you with a comprehensive system of quality in-home and support services. As we enter our 14th year of service to our community, we strive to continue to meet your needs.

### SHORT TERM PLACEMENTS

Available for all service levels. Please ask the Home Care Co-ordinator for details.

### RN's/LPN's

Registered Nurses and Licensed Practical Nurses provide private duty services at home or in the hospital to meet the needs your doctor has requested. Eligible insurance claims processed.

### FOOT CARE SPECIALISTS

Trained Specialists in Foot Care Management treat calluses, corns, and thickened nails in the privacy of your home or at a Senior Watch Clinic. Blue Cross "C" plan and Veterans Affairs TAPS cards accepted.

**CALL ANYTIME:**

### HOME SUPPORT WORKERS

We strive to give seniors a quality lifestyle. Home Support Workers provide attendant care, light housekeeping, and meal preparation. Incorporated into these activities is the promotion of wellness to enhance the client's level of health functioning, and encouragement of activities which will promote socialization and return to an independent lifestyle.

### TRAVEL COMPANIONS

We take the worry out of travelling - short excursions as well as overnight trips!

### HOME SECURITY

A house check system with pet or plant care - your safety plan when you are away.

### PHONE MONITORING

A home support worker monitors the client's physical condition, medication administration, nutrition, mental status and safety.

### HOSPITAL CAREGIVERS

This service is available for those clients who are in the hospital and would like someone to assist them.
